

3M™ Digital Board

	Feature	Advantage	Benefit
Hardware	Porcelain enamel over steel design	Extremely durable writing surface.	Designed to last a long time with minimum maintenance costs.
		Damage resistant; Hand contact with surface does not interrupt operation.	Longer life and easy to use.
	Designed for low maintenance	Repairs are easy and less expensive.	Reduces need for replacement of entire unit; results in low cost of ownership.
	Easy to use buttons	Allows user to calibrate, print, access gallery, move forward or backward, and save with one touch.	Simple, convenient, and faster access to functions.
	Intelligent stylus	One tool to access all functions.	Maintain control of the classroom and work independently of your PC.
		Writing in a natural position.	Easy and ergonomically comfortable.

	Feature	Advantage	Benefit
Software	Annotation software included.	Provides mouse and annotation capability.	Out-of-box, and ready to use at no additional cost.
	Free software upgrades and unlimited downloads.	Multiple users can download at no additional charge.	Multiple users can take advantage of one Digital WhiteBoard hassle free and at no additional costs.
	Annotate in virtually any software application and save annotations in various formats including: (ESB, JPEG, TIFF, HTML, PDF, vector PDF, BMP 256 color, WBD) PowerPoint (ppt & pps) and metafile (emf).	Eliminate extra steps by saving files in annotation software.	Saves time, easy to use, and works with most applications.
	Scrapbook function	Allows for multiple pages to be imported into Scrapbook as background images and assemble content from various sources.	Saves time when creating customized presentations.
	Playback feature	Re-play annotation like a movie at different speeds.	Simple, automatic, and allows review of entire process.
	Automatically saves the annotation files.	Files are automatically saved as new pages are created.	Helps prevent loss of information.
	Shared-Meeting functionality included.	Collaborate using included Shared-Meeting or your standard NetMeeting or SameTime conferencing software.	Ideal for Distance Learning programs. Communicate with remote students.
