

Journey Interactive LED Touchscreen

55" / 65" / 70" / 80" / 84"

FEATURE HIGHLIGHTS

- 55", 65", 70", 80", 84"
- 4K (84" only), 1080p
- 10-point touch
- Ultra-fast response time
- Thin IR frame
- Mac OS compatible

Practical for EDUCATION

Bring **multiple students** to the Journey screen at once with up to **10-pt touch** for lessons that engage students and encourage teamwork.

QOMO's **Flow!Works** touchboard software is included with each board, containing **interactive tools**, **screen capture** and **annotation abilities** to create fun and engaging lessons.

Sophisticated for BUSINESS

With up to **4K resolution** and fast-response time, the Journey touchscreen helps create polished professional presentations.

A built-in **Android interface** allows users to **annotate** over any browser or content on your screen, as well as **switch between inputs**, **download apps**, and **wirelessly print screen**.
