The Inspiration Lectern is a stylish value lectern with ergonomic benefits that can support professional presentations in small spaces. A clever design uses angled sides to offset rack rail equipment, resulting in enough room for the presenter to sit or stand. With 19 rack units in the 42" Inspiration and 15 rack units in the 36" version, you can take full advantage of available technology without draining your budget.

Inspired by style, inspired by technology - connect with Spectrum's Inspiration!
