Tech Tub²® - holds 6 iPads[®] or Chromebooks[™]

The Tech Tub²® collection of device storage and charging systems has mobility at its core. They can store, charge and sync Apple[®] devices and most 11" Chromebooks[™]. The flexible Tech Tub²® system allows schools to purchase individual tubs, carts or both as they roll out devices.

Ergonomic front and back handles

Top flip-up handle to make carrying easier

Adjustable dividers to accommodate a wide range of devices with and without cases

Side cable organizer to keep cords tidy

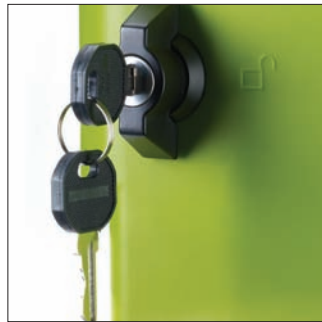

Lower compartment for power strip and adapters

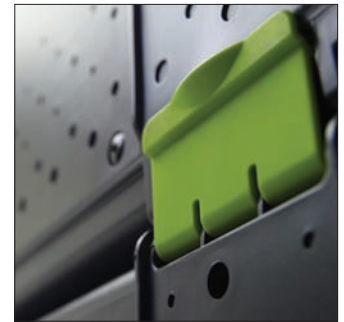

Cable management hooks with a cord clip on the back

Surface mount hardware to secure tub to surfaces for added security

3-point door lock with 2 keys

As tubs are purchased, side clips connect multiple tubs together and easily break apart for sharing devices
