Panasonic

KX-BP535
KX-BP635
KX-BP735

Ideal For:

- **Seminars**
- **Meetings**
- **Brain Storming**
- **Scheduling**
- **Training**
- **Copying Charts and Graphs**

Panaboard™

Plain Paper Printing

Features & Benefits

- *Panaboards come with an integrated printer for easy plain paper printing with multiple copies*

- *With the optional PC Interface software, Panaboard printer can print from a PC*

- *Increases audience attention and participation*

- *Helps presenters give clear notes on the meeting to everyone, increasing efficiency and reducing meeting time*

- *All models can be wall-mounted or used with an optional stand*

View the Control Panel from a PC

Panasonic's new Plain Paper Panaboard interfaces with your PC. It comes complete with a Windows 95/98/NT printer driver.

Slim Modular Design

- Paper tray holds 80 sheets of paper

- Roll of thermal transfer film prints approx. 300 pages

- Confidentiality when printing because a special coating is placed on the film that prevents it from being photocopied
