Phone: 866-94 BOARDS (26273) / (732)-222-1511  
Fax: (732)-222-7088 | E-mail: sales@touchboards.com

**THE ULTIMATE WORK CENTER FOR ANY ORGANIZATION.**

We call it hubware.

OneScreen hubware responds to any work mode you're in – from fundamental whiteboard brainstorming to full video collaboration and anything in between.

### In conference rooms, huddle areas, and offices:

- » All of your familiar, day-to-day software and hardware tools
- » Dial or start a videoconference (Polycom, Cisco, etc.)
- » Join or start a web conference (WebEx, Lync, Connect etc.)
- » Innovate with interactive whiteboarding
- » Load, access and use your preferred business programs
- » Get to all of the online or on network information you need
- » Utilize videoconferencing and share content at once
- » Annotate on practically anything
- » Record, save, and share
- » Download and use any Android application
- » Access and use smart TV media
- » Call up our live-on-demand Screen Skill Guru for help
- » Watch a movie or play a game (important work activities)
