

HEM

REFERENCE CLASS IN-EAR HEADPHONES

NU FORCE

The Hi-Res Audio certified NuForce HEM earphones are an innovative audio series with cutting-edge designs. The four models are all engineered based on the latest Balanced Armature Driver technology and on the attention to the finest details. These luxury high-quality earphones are perfect for those who demand balanced sound with crystal clear highs and explosive bass.

- Knowles™ Balanced Armature Drivers for an immersive performance
- Acoustically calculated and vibration free Lexan™ earpiece
- NuForce Linear-Phase crossover for seamless driver integration
- Two replaceable cables: one with microphone, and one high-end cable made from silver and OFC copper
- Comply™ soft foam ear tips for enhanced isolation and sound quality.
