

SMARTMARKER

Whiteboarding beyond the surface.

equil[®]

Equil Smartmarker is a portable whiteboarding tool that lets you stream content in real time. It captures everything you write so you can save, edit and share your content to any device.

Equil Note

The smarts behind the marker.
A free mobile and desktop app.

Stream, save, edit, and share notes and diagrams on Android, iOS, Mac and Windows devices. Use different markers, colors, and text editing tools to enhance content and add searchable tags. Organize your notes into collections, save and sync with your favorite cloud services.

Download at:
